## Product Specification Sheet

PRODUCT MODEL CODE

# SM Series

Surface Mount Wall Vents

### 1. PRODUCT SUMMARY

The Primex Surface Mount Wall Vent (SM Series) is the perfect replacement for existing bathroom or range hood exhaust terminations. The SM Series is easy to install and aesthetically-pleasing.

The seamless, low-profile, one-piece design accommodates standard 4-6 inch ducting. UV-stabilized polymer resin offers long-lasting protection while reducing leaks.

### 2. FEATURES & BENEFITS

- Eliminates leaky joints while maximizing water protection with one-piece, seamless design.
- Suitable for intake and exhaust applications via removable damper.
- Spring loaded damper reduces wind flapping.
- Made with UV-stabilized durable polymer resin.
- Highly resistant to mechanical impact.
- Surface mounted for quick and easy installation.
- Removable screen for dryer venting applications.

### 3. COLOURS

- Snow White (01)
- Light Grey (31)
- Taupe (23)
- Dark Brown (68)

### 4. PART NUMBER/SIZING
